810-5-75-.37 APPLICATION FOR CERTIFICATE OF TITLE - Seller's Signature Requirements. Reference: Sections 32-8-1 through 32-8-87, Code of Alabama 1975, as amended. **(REPEALED)**

Since the manufacturer's certificate of origin, properly assigned, or the surrendered certificate of title, properly assigned by the registered owner or selling dealer, is a component part of an application for certificate of title upon transfer of a vehicle and when this assignment contains the signature of the seller, this signature will meet the requirements of seller's signature on application for title and therefore, the seller does not have to sign the face of the application.
