Alabama Security Regulatory Board

832-X-1-.11 Inspection Of Licensees.

(1) Inspections may be initiated by the Board at any time during normal and reasonable business hours after licensure, ~~which may include but are not limited to determining compliance with the training requirements.~~ Failure to cooperate with such inspection may lead to disciplinary action by the Board.

~~(2) During an inspection of a licensed contract security company, the Board may review security officer personnel records to ensure officers are in compliance with training. During an inspection of an unlicensed contract security company, the Board may review security officer personnel records to ensure officers are in compliance with licensing and training.~~

~~(3) The Board may review training records and criteria to ensure the company is in compliance with the training requirements set forth in Chapter 832 X-1-.08. The Board may also review trainers employed with the security company to ensure compliance with licensing requirements set forth in Chapter 832 X-1-.07.~~

(2) The inspection of business premises of a licensee, licensed contract security company, and/or licensed contract security company shall be limited to licensure compliance, training records and/or files, personnel records and/or files, financial records and/or files, company policies, and/or any and all other documents, records, and/or files related to security work or that pertain to the laws, rules and regulations governing security work.
