**220-2-.138. Licensed Game Breeders**

All persons, firms or corporations licensed under Section 9-11-30 to engage in the business of raising game birds, game animals, or fur bearing animals shall:

1. Maintain and submit to the Division of Wildlife and Freshwater Fisheries an accurate records of all stock to include inventory of all stock and maintain a record of inventory changes caused by births, deaths, escapes, releases, transfers, sales, purchases or other causes; provided however, holders of the nonindigenous game breeder option who are not engaged in the breeding and handling of such animals may submit a good faith estimate of stock inventory and inventory changes as to such animals. Effective October 1, 2017, all inventory records and changes described above shall be submitted via the Wildlife and Freshwater Fisheries electronic database through individual user accounts.
2. Allow inspection by agents authorized by the Division of Wildlife and Freshwater Fisheries and Department of Agriculture and Industries, of stock, facilities and records at all reasonable times.
3. By April 1 of each year Within 30 days of the birth, fawns of the family Cervidae born on the premises shall be marked with an ear tag, as specified by the Division, which identifies each animal. All other stock of the family Cervidae shall be assigned an ear tag number and shall be marked with the corresponding tag before any sale or transfer. Such tags shall not be transferred to or reused on other individuals. Tags shall not be removed, except during transfer when the animal is being released, provided the tag shall be in possession during transport. Animals which lose tags shall be reassigned a replacement tag number and remarked before sale or transfer.
4. Identify the location of each facility by physical address and notify designated Division personnel of any changes in size or location of the facility.
5. Within 24 hours of discovery notify designated Division personnel of any escapes or deaths and allow disease testing of animals that have died.
6. Within 24 hours of discovery, notify designated Division personnel of escapes by phone or email and coordinate recapture efforts as directed.
- 6.7. Upon notification by authorized Division personnel of a documented disease risk, not remove from any facility or location any animals alive or dead until approved by authorized Division personnel.
- 7.8. For species of the family Cervidae, obtain a premises registration number and comply with the conditions set forth in any herd health or monitoring plan that may be designated by the Alabama Department of Agriculture and Industries.

§. 9. Acquire animals only from other licensed game breeders, except by written approval from authorized Division personnel.

The Commissioner of Conservation and Natural Resources, in cooperation with the Alabama Department of Agriculture and Industries, may order the confiscation and destruction of any animal that is deemed to be a substantial disease risk to other wildlife, domestic animals, or the public without compensation to the owner of such animal. This shall not affect the authority of other state or federal agencies with respect to confiscation, destruction or condemnation of or compensation for such animals.

Nothing in this regulation is intended to authorize the importation into this state of any live animal, or their eggs or embryos which is otherwise prohibited by law or regulation.
