780-X-6-.04 Qualifying Experience -Certified Residential Real Property Appraiser. As of the date the application is filed with the Board, the equivalent of 1500 hours appraisal experience is necessary for approval of a license for Certified Residential Real Property Appraiser classification. Experience shall be recorded on the log contained in the application. The log must contain all appraisals the applicant has signed or is entitled to claim for experience credit, beginning with the most recent appraisals (up to and including the date the application is filed with the Board) and going back, up to 5 years, until the required number of experience hours is documented: Evaluation assignment reports shall not be included on the log of appraisal report assignments. The applicant must attach to the log the engagement letter for each appraisal assignment on the log in the order that the assignment is listed on the log. Applicants may claim the full experience credit allowed for an appraisal, regardless of the number of signing appraisers. In evaluation of experience offered as qualified experience under Code of Ala. 1975, §34-27A-11, the Board will take into consideration the following minimum experience:

(a) Residential and Non-Residential Appraisals Counted. Appraisals of both residential and non-residential properties can be included in the experience hours necessary for the Certified Residential Real Property Appraiser Classification. Experience for a dwelling (residential appraisal) will be awarded only if there is an interior and exterior inspection. Only appraisals that meet the minimum appraisal requirements of USPAP will be considered for experience credit.

(b) Twelve Months Experience. A minimum of twelve months experience shall be required for this classification. Experience credit will be given for appraisals completed within the last five years.

(c) USPAP Compliance. Appraisals must comply with USPAP for hours to be awarded for experience credit. The Board will select a representative sample of appraisals from the logs submitted by the applicant. The applicant will submit the selected sample for the Board to examine for compliance with USPAP. If the sample complies with USPAP the Board will consider that all of the experience submitted by applicant complies with USPAP. A determination by the Board that the sample does not comply with USPAP shall be presumptive that all of the appraisals submitted for experience credit do not comply

with USPAP. The applicant then has the burden and shall have the opportunity to demonstrate that the experience claimed is USPAP compliant at a reconsideration hearing held pursuant to Rule 780-X-3-.05.
