1. The instructor shall administer to the candidate a written test prepared and distributed to the instructor by the Commission at the end of each subject area of the course. The candidate must perform successfully on each subject area examination.

2. The practical skills identified in the Teaching Outline for this level of training should be utilized by the candidate and by the instructor to prepare the candidate to the level required to meet competency standards identified in the Teaching Outline as specified levels of excellence and/or timed evaluations.

3. There will be an examination for state certification provided by the Alabama Fire College and Personnel Standards Commission.

4. An overall score of 70% is required for the successful completion of this examination.

5. Re-test may be taken after 30 days and within 12 months of the date of course completion.

(2) Administration

(a) Scope. This standard identifies the performance requirements necessary to perform the duties of a Volunteer Fire Fighter.

(b) Purpose. The purpose of this standard is to specify the minimum job performance requirements for a Volunteer Fire Fighter. It is not the intent of this standard to restrict any jurisdiction from exceeding these requirements.

(c) General

1. Each performance objective shall be performed safely, competently, and in its entirety.

2. It is not required for the objectives to be mastered in the order they appear.

3. The volunteer fire fighter shall meet all of the objectives for Volunteer Fire Fighter before being certified at that level.

(3) Objectives

(a) The objectives of this standard are based on the ability of the Volunteer Fire Fighter to demonstrate knowledge and skills as outlined in the Alabama Fire College and Personnel Standards Commission Teaching Outline for Volunteer Fire Fighter, current edition.
