AND PERSONNEL STANDARDS COMMISSION**

NOTICE OF INTENDED ACTION

AGENCY NAME: Alabama Fire College and Personnel Standards Commission

RULE NO. & TITLE: 360-X-3-.02 Certified Fire Instructor II

INTENDED ACTION: To provide a mechanism which would allow emergency response personnel to become certified instructors through the Alabama Fire College.

SUBSTANCE OF PROPOSED ACTION: Previously the Administrative Code did not allow the Alabama Fire College to certify law enforcement officers and other non-fire emergency responders to become certified instructors. Language was added to the code which would allow individuals in the aforementioned groups to become Certified Public Safety Instructors.

TIME, PLACE, MANNER OF PRESENTING VIEWS: Interested persons may present their views orally or in writing to the Director of the Alabama Fire College and Personnel Standards Commission, 2501 Phoenix Drive, Tuscaloosa, Alabama 35405, at any time from October 31, 2018 through January 15, 2019.

FINAL DATE FOR COMMENT AND COMPLETION OF NOTICE:

Comments will be accepted until the close of the public hearing on the matter on January 16, 2019 at 9:00 a.m.

(b) The candidate must have a high school diploma or GED certificate.

(c) This course may only be offered in fire departments, educational institutions, or in academy situations which receive approval from the Commission to conduct the course at this location.

(d) Examination. There will be an examination for state certification for each level of progression provided by the Alabama Fire College and Personnel Standards Commission.

1. An overall score of 70% is required for the successful completion of this examination.

2. Re-test may be taken after 30 days and within 12 months of course completion.

3. All certification testing, to include re-testing, must be completed within 12 months of the course completion date.

(2) Administration

(a) Scope. This standard identifies the professional levels of competence required to perform the duties of a Fire Instructor II.

(b) Purpose. The purpose of this standard is to provide minimum qualifications for a Fire Instructor II. It is not the intent of this standard to restrict any jurisdiction from exceeding these minimum requirements.

(c) General

1. All of the performance standards for any level of fire service instructor shall meet the following criteria: They shall be performed with competence; each objective shall be met in its entirety.

2. It is not required that the objectives be mastered in the order they appear in each of the levels of progression.

(3) Objectives. The objectives of this standard are based on the ability of the Instructor II to demonstrate

knowledge and skills as outlined in the Alabama Fire College and Personnel Standards Commission Teaching Outline for Instructor II, current edition.

(4) Alternative Certification

(a) Individuals not certified to the Fire Instructor I completing equivalent coursework as approved by the Commission are eligible for alternative certification under the following conditions:

1. Alabama state licensed Emergency Medical Technicians certified as EMS or Rescue Instructor I may be certified as EMS Instructor II.

2. Individuals certified as EMS or Rescue Instructor I and able to demonstrate particular competence in the area of rescue operations may be certified as Rescue Instructor II.

3. Individuals able to demonstrate particular competence in the area of public safety may be certified as Public Safety Instructor II.
