810-3-137-.03 Historic Rehabilitation Tax Credit of 2017 - Improperly Obtained Historic Rehabilitation Tax Credits and Recapture of Historic Rehabilitation Tax Credits (New Rule)

(1) This rule sets forth guidelines and procedures to be used by the Department of Revenue in the administration of the Historic Rehabilitation Tax Credit of 2017, as codified in Article 2 of Chapter 9F of Title 40, Code of Alabama 1975, which provides for a tax credit under Chapter 18 of Title 40 to Alabama taxpayers for the rehabilitation of certain historic and certain non-historic buildings in Alabama.

(2) The Department shall have the right to audit and assess 100% of any credit improperly obtained by the Owner. Any liability resulting therefrom shall apply against the Owner initially awarded the Tax Credit Certificate and not any subsequent Transferee of the tax credit pursuant to Section 40-9F-X.

(3) Recapture of the credit shall apply against the taxpayer who utilizes the credit. The Owner shall report any recapture event to the Department, the Commission and the taxpayer. In the case of a Project which meets the requirements of, and a taxpayer in fact claims, the rehabilitation credit associated with the Project under Title 26, Section 47 of the Internal Revenue Code (the "Federal Historic Credit"), recapture and any related adjustments of basis due to recapture shall occur when and if recapture occurs with respect to the Federal Historic Credit and the amount of the recapture of the credit, and any required basis adjustments shall be proportionate to the recapture of the Federal Historic Credit. In all other cases, recapture occurs when the Project fails to meet the definitions of a Certified Historic Structure or a Certified Historic Residential Structure pursuant to Section 40-9F-X, and recapture and any related adjustments of basis due to recapture shall be governed by principles which correspond to those applicable to the Federal Historic Credit under Title 26 Section 50 of the Internal Revenue Code.
