NOTICE OF INTENDED ACTION

AGENCY NAME: Alabama Forestry Commission

RULE NO. & TITLE: 390-X-6-.05 Training and Certification Fees [New Rule]
390-X-6-.05 Reciprocity [Repealed]

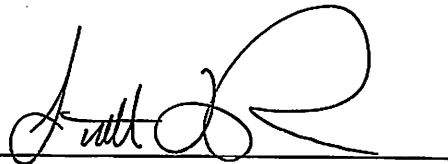

INTENDED ACTION: To repeal the existing rule and replace it with a new rule.

SUBSTANCE OF PROPOSED ACTION: The existing rule regarding reciprocity for certified prescribed burn managers would be repealed. It is not needed because Rule 390-X-6-.02 separately allows recognition of equivalent or prior training irrespective of the state in which such training is received. A new rule would be promulgated which specifies the maximum fees which can be charged by the Forestry Commission for prescribed burning training and certification. The Forestry Commission would retain the discretion to charge fees less than the stated maximum.

TIME, PLACE, MANNER OF PRESENTING VIEWS: Views may be presented orally or in writing on or before March 8, 2019. Such input should be addressed to John Goff, Forest Protection Division Chief, Alabama Forestry Commission, 513 Madison Avenue, Montgomery, Alabama 36104.
