(1) The passing grade for each subject is 75.

(2) A candidate may take the required test sections individually and in any order. Credit for any test section(s) passed shall be valid for eighteen months from the actual date the candidate took that test section, without having to attain a minimum score on any failed test section(s) and without regard to whether the candidate has taken other test sections.

(a) Candidates must pass all test sections of the Uniform CPA Examination (examination) within a rolling eighteen-month period, which begins on the date that the first test section(s) passed is taken.

(b) Subject to 30-X-4-.04(2)(c), candidates cannot retake a failed test section(s) in the same examination window. A testing window is equal to a calendar quarter (Jan-Mar, Apr-Jun, Jul-Sep, Oct-Dec). Candidates will be able to test no less than two (2) months out of each testing window.
(c) If the examination testing guidelines are changed to eliminate the testing window limitation contained in 30-X-4-.04(2)(b), a candidate would be eligible to retake a test section as soon as testing results for the prior attempt for that section are released.

(d) In the event all test sections of the examination are not passed within the rolling eighteen-month period, credit for any test section(s) passed outside the eighteen-month period will expire and that test section(s) must be retaken.

(3) A candidate shall retain credit for any and all test sections of an examination passed in another state if such credit would have been given, under then applicable requirements, if the candidate had taken the examination in this State.

(4) The Board may in particular cases extend the term of conditional credit validity notwithstanding the requirements of paragraphs (2), and (3), upon showing that the credit was lost by reason of circumstances beyond the candidate’s control.

(5) A candidate shall be deemed to have passed the examination once a candidate holds at the same time valid credit for passing each of the test sections of the examination. For purposes of this section, credit for passing a test section is valid from the actual date of the testing event for that test section, regardless of the date the candidate actually receives notice of the passing grade.

30-X-4-.08 Cheating.

(1) Cheating by a candidate in applying for, taking or subsequent to the Uniform CPA Examination (examination) will be deemed to invalidate any grade otherwise earned by a candidate on any test section of the examination and may warrant summary expulsion from the test site and disqualification from taking the examination for a specified period of time.

(2) For purposes of this Rule, the following actions or attempted activities, among others, may be considered cheating:

(a) Falsifying or misrepresenting educational credentials or other information required for admission to the examination;

(h) Failing to comply with the testing administrator’s instructions.

(3) In any case where it appears that cheating has occurred or is occurring, the Board or its representatives may either summarily expel the candidate involved from the examination or move the candidate to a position in the test center away from other examinees where the candidate can be watched more closely.

(4) In any case where the Board believes that it has evidence that a candidate has cheated on the examination, including those cases where the candidate has been expelled from the examination, the Board shall conduct an investigation and may conduct a hearing consistent with the requirements of the state’s Administrative Procedures Act following the examination session for the purpose of determining whether or not there was cheating, and if so what remedy should be applied. In such proceedings, the Board shall decide:

(a) Whether the candidate shall be given credit for any portion of the examination completed in that session; and

(b) Whether the candidate shall be barred from taking the examination and if so, for what period of time.

(a) Admonish the candidate;

(b) Seat the candidate in a segregated location for the rest of the examination;

(c) Keep a record of the candidate’s seat location and identifying information and the names and identifying information of the candidates in close proximity of the candidate; and/or

(6) In any case in which a candidate is refused credit for any test section of an examination taken,
