100-X-2-.01 Registration Of Architects. The Board shall have the power to determine the requirements for registration in the State of Alabama. They shall review or cause to be reviewed each applicant's file to ensure that all requirements are met. Applicants in question shall be subject to Board approval. The Board shall collect application fees as provided by regulation. There are three methods of obtaining registration in Alabama:

(1) By written examination administered by the Board or an authorized testing vendor;

(2) By NCARB certificate;

(3) Reinstatement of a lapsed Alabama registration.

History: Filed October 3, 1981. **Repealed and new rules adopted in lieu thereof:** Filed September 16, 1985. **Amended:** Filed February 17, 1999; effective March 24, 1999. **Amended:** Filed August 12, 2005; effective September 16, 2005. **Repealed and New Rule:** Filed February 19, 2010; effective March 26, 2010.

Ed Note: Rule was renumbered from .02 to .01 as per certification filed February 19, 2010.

100-X-2-.02 Registration By Examination. An applicant for registration by examination shall submit an application fee as provided by regulation. The Board shall set qualifications and review, or cause to be reviewed, each candidate's qualifications. The Board shall require proof of qualifications prior to allowing candidates to sit for the Architect Registration Examination® (ARE®). The Board may approve an applicant to take the ARE® only after the applicant has completed the education requirements for architectural registration by examination in Alabama, has completed at least 930 hours of approved Architectural Experience Program (AXP) experience or completed AXP through the portfolio method, and has submitted the required application materials. Upon determination that the applicant is qualified in accordance with the Board's statutes and regulations, the applicant will be granted eligibility for the examination. Upon successful completion of all examination divisions and completion of the AXP, the applicant will be granted registration as an architect.

100-X-2-.05 Registration By NCARB Certificate. An applicant for registration by NCARB Certificate shall submit an application for registration and the appropriate fee to the Board. The applicant will authorize NCARB to transmit his or her council record in support of the application. Upon receipt of the applicant's NCARB council record, the Board shall review or authorize the Executive Director to review the application and authorize approval of registration as an architect. Should the application or record reflect disciplinary history or unsatisfactory responses to questions on the application, the Board will conduct a further review of the application and render a decision regarding eligibility for registration. The application fee shall be waived for a spouse of an active-duty reserve, or transitioning member of the United States Armed Forces, including the National Guard, or a surviving spouse of a service member who, at the time of his or her death, was serving on active duty, who is relocated to and stationed in the State of Alabama under official military orders. For the purposes of this section, a transitioning service member is a member of the United States Armed Forces, including the National Guard, on active-duty

status or on separation leave who is within 24 months of retirement.

100-X-2-.06 Registration Of Reinstatement. An architect who has allowed his or her registration to lapse for whatever reason must complete a new application, submit the application fee, renewal fee and late penalty, proof of continuing education (as provided by regulation), and a sworn affidavit stating he or she has not performed any service included in the definition of the practice of architecture while not registered in the state of Alabama. The Board shall review or authorize the Executive Director to review the application and authorize approval of the application for reinstatement. Should the application or record reflect disciplinary history or unsatisfactory responses to questions on the application, the Board will conduct a further review of the application and render a decision regarding eligibility for registration. If approved, the same registration number will be reissued. A new certificate for framing will not be issued unless a written request is received and the replacement fee is paid.

100-X-2-.09 Emeritus Status Architects.

(1) An architect may apply for emeritus status if he or she meets the following criteria:

(a) The applicant is 65 years of age or older; and

(b) The applicant has been registered in this state for ten (10) consecutive years or longer;

(c) The applicant is retired from the active practice of architecture. "Retired" means the architect no longer seals documents or practices architecture as defined by §34-2-30(3) and (4), Code of Ala. 1975.

(2) If all requirements are met, the architect shall be granted emeritus status. An individual granted emeritus status may use the title "Emeritus Architect" on any letter, title, sign, card or device. If an emeritus architect wishes to return to the active practice of architecture, he or she may do so by submitting the renewal fee, current renewal application form, and current year's continuing education hours required by regulation.

Amended: Published February 26, 2021; effective April 12, 2021.

100-X-2-.10 Renewal Of Registration. The Board shall have the power to set renewal fees and fees for late payment. The Board shall issue renewal notices to each registered architect from the previous year to the last known address. Failure to receive a renewal reminder from the Board shall not constitute an excuse for failure to renew licensure. Registration term is for the calendar year which begins January 1 and ends December 31. Renewals postmarked January 1 through March 31 will be considered late, and those renewals must include the late penalty established by regulation. All renewals must reflect completion of the current continuing education requirements established by the Board unless otherwise exempted. No provision is made for partial payment for a partial year. Renewal fees are due on or before December 31 of each year. If the registrant elects to renew his or her license electronically, the registrant may be charged a convenience fee or surcharge. If renewal is not completed on or before March 31, the architect's registration will lapse and must be reinstated, as required by regulation. Persons providing architectural services under a lapsed or expired license shall be subject to disciplinary action by the Board.
