**140-X-4-.03** **Continuing Education.** Athletic Trainers are required to complete and document continuing education each renewal year to renew their license. Continuing education guidelines and reporting methods and forms as appropriate for class of licensee will be provided to licensees annually. Forms and instructions used by the Board are found in Appendix A and are part of this rule. Licensees issued a license between July 1 and December 31 shall not be subject to continuing education requirements or late fees for the first renewal period only.

(1) Athletic Trainers who hold an active BOC Certification must meet the highest professional standards and stringent continuing education requirements imposed by the BOC. BOC continuing education requirements meet or exceed those required by the Alabama Board of Athletic Training except for annual certification in an approved emergency cardiac care course.

(a) BOC-certified Athletic Trainers may use the continuing education earned to satisfy their BOC credentialing requirement as a portion of the Board's continuing education requirement each renewal year. Proof of current BOC certification shall be considered acceptable documentation.

(b) BOC-certified Athletic Trainers shall also report and document annual certification in a BOC-approved EMRC course each renewal year unless otherwise noted. The original or copy of said certification card, official letter, or certificate of completion shall be considered acceptable documentation.

(2) Athletic Trainers who were issued a license pursuant to Code of Ala. 1975, Section 34-40-7, without being required to be BOC Certified for licensure are required to complete and document twenty-six (26) contact hours of continuing education as prescribed by the Board each renewal year. Continuing education requirements are similar in content and contact hours to those required of BOC-certified athletic trainers.

(3) Athletic Trainers who are issued a license between July 1 and December 31 shall be required to submit only proof of current BOC Certification which serves as documentation that BOC professional standards and continuing education requirements have been met, thus satisfying the annual continuing education requirement of the Alabama Board of Athletic Trainers for the initial renewal period.

(4) The annual renewal period shall be construed as December 1 through November 30.

(5) Continuing education requirements obtained after the renewal period for the next licensure period but obtained during the 90-day grace period shall be allowed and shall be considered late.

(a) A fee of \$25 for each month the continuing education requirements are late being obtained shall be assessed the licensee and shall be paid before the end of the 90-day grace period.
