(b) The candidate must have a high school diploma or GED certificate.

(c) Examination. There will be an examination for state certification provided by the Alabama Fire College and Personnel Standards Commission.

1. An overall score of 70% is required for the successful completion of this examination.

2. Re-test may be taken after 30 days and within 12 months of course completion.

3. All certification testing, to include re-testing, must be completed within 12 months of the course completion date.

(2) Administration

(a) Scope. This standard identifies the level of professional competence required to perform the duties of an Airport Fire Fighter.

(b) Purpose. The purpose of this standard is to specify, in terms of performance objectives, the minimum requirements of competence required for service as an Airport Fire Fighter. It is not the intent of this standard to restrict any jurisdiction from exceeding these minimum requirements.

(c) General

1. The candidate shall meet all of the requirements of this standard before being certified as an Airport Fire Fighter.

2. Each performance objective for the Airport Fire Fighter shall be performed swiftly, safely, and with competence. Each objective shall be met in its entirety.

3. It is not required that the objectives be mastered in the order they appear.

(3) Objectives

(a) The objectives of this standard are based on the ability of the Airport Fire Fighter to demonstrate knowledge and skills as outlined in the Alabama Fire College and Personnel Standards Commission Teaching Outline for Airport Fire Fighter, current edition.
