355-17-1-.06 Home Inspector License Requirements, Residential New Construction Certification.

(1) To initially become a Home Inspector, one must:

(a) Have one of the following four qualifications:

1. Membership in and adherence to the ethical standards of one of the following professional bodies at the time of application:

American Society of Home Inspectors, Inc. (ASHI), 932 Lee Street, Suite 101, Des Plaines, IL 60016

Housing Inspection Foundation (HIF), P.O. Box 879, Palm Springs, CA 92263.

International Association of Certified Home Inspectors (InterNACHI), 1750 30th Street, Suite 301, Boulder, CO 80301

National Institute of Building Inspectors (NIBI), 92 East Main Street, Suite 301, Summerville, NJ 08876

2. Approval or certification by one of the following agencies to inspect residential construction: The United States Veterans Administration, United States Department of Housing and Urban Development, the Southern Building Code Congress International, or the Council of American Building Officials. *The International Code Council has replaced the Southern Building Code Congress International and the Council of American Building Officials.

3. A high school diploma or its equivalent, work experience for at least one year as a home inspector, and completion of at least 100 home inspections for compensation.

4. Alabama licensure on or after January 1, 1998, as a general contractor, registered professional architect, registered professional engineer, or residential home builder. Renewals of home inspector licensure previously supported by evidence of an acceptable professional license shall not require the applicant to repeat proof of such professional licensing.

(b) Attain a combination of completing hours of pre-approved home inspector education and participating in home inspections under the supervision of a qualified Home Inspector, as defined in Subsection (d). The applicant must either:

1. Complete a minimum of 120 hours of approved home inspector education and participate in 35 home inspections.

OR

2. Complete a minimum of 35 hours of approved home inspector education and participate in 100 home inspections.

Approved home inspector education shall include instruction on writing home inspection reports. Approved education includes courses that are approved by the professional bodies listed in 355-17-1-.06(a)(1) or courses that have been approved by the Alabama Home Inspectors Advisory Committee.

(c) Complete a written examination demonstrating to the Division of Construction Management that the applicant possesses an appropriate understanding of the Standards of Practice (Rule 355-18-1-.01) and the Code of Ethics (Rule 355-18-1-.02) promulgated by the Division of Construction Management and a written examination demonstrating adequate knowledge of performing home inspections. The written

examination for Home Inspectors to demonstrate appropriate understanding of the Standards of Practice and Code of Ethics will be the American Society of Home Inspectors Standards and Ethics Examination. The written examination demonstrating adequate knowledge of performing home inspections will be the Examination Board of Professional Home Inspectors National Home Inspectors Examination. Applicants shall pay all fees associated with testing directly to the organizations conducting the testing. Both tests must be completed within 18 months before submitting an application for a Home Inspector license.

(d) Draft Home Inspection reports for 25 home inspections. Ten of these reports must be reviewed and corrected by a qualified Home Inspector. A Home Inspector is qualified if (1) he or she is licensed in his or her state of practice and has been licensed for the past five years, or (2) he or she has been a member of a group listed in 355-17-1-f.05 (1)(a)(1) for the past five years and he or she practices in a state without licensing.

(e) Obtain bodily injury and property damage liability insurance covering the applicant's home inspection operations in the sum of not less than \$20,000 for injury or damage to property; \$50,000 for injury or damage, including death, to any one person; \$100,000 for injury or damage, including death, to more than one person; and \$250,000 of errors and omissions coverage.

(f) File an accurate, complete, and timely application for license with the Director, along with the appropriate fee.

(2) To obtain a Residential New Construction Designation, a Home Inspector licensed and in good standing under this chapter must:

(a) Submit the appropriate application form as permitted by the Director;

(b) Submit proof of successful completion of an eight-hour Residential New Construction training module approved by the Director and completed no more than two years prior to the date of application.

The lack of a Designation shall not be construed to limit the rights of any licensee under the Act. It is not a mandatory requirement for inspecting residential new construction.

Ed. Note: Previous Rule .05 was renumbered to .06 per certification filed July 31, 2019; effective September 14, 2019.

355-17-1.07 **EIFS Inspector License Requirements.**

(1) To become an EIFS Inspector, one must:

(a) Be a member of and adhere to the ethical standards of one of the following professional bodies:

Exterior Design Institute, 1531 Early Street, Norfolk, VA 23502.

Association of the Wall and Ceiling Industry, 513 West Broad Street Suite 210, Falls Church, VA 22046.

(b) Sign a statement declaring that the applicant has read and will comply with the Standards of Practice and Code of Ethics promulgated at Rules 355-18-1-.03 and -.04.

(c) File an accurate, complete, and timely application for license with the Director, along with the appropriate fee.

Statutory Authority: Code of Ala. 1975, §§34 14B 1, et seq.; 41 9 140, et seq.

History: New Rule: Filed July 31, 2019; effective September 14, 2019.

355-17-1-.08 **Annual License Renewal, Consequences Of Failure To Renew.**

(1) A license is valid only during the calendar year indicated on the license. At the end of that calendar year, the license expires unless it is renewed by the licensee.

(2) Beginning with renewals for the 2021 license year, to renew a Home Inspector license, the licensee must:

(a) Complete 15 hours of approved continuing education per year. Licensees must retain proof of completion of this requirement for three years. The Division of Construction Management will randomly audit licensees for proof that continuing education was completed.

(b) Demonstrate continued compliance with the requirements found in Rules 355-17-1-.06(1)(a) and (e).

(c) For renewals of licenses for the year 2021, the licensee must have, in the last two years, completed at least three hours of continuing education dedicated to writing Home Inspection reports. These hours will count towards the 15 hours of continuing education required for that year.

(d) File a complete, accurate, and timely annual license renewal application with the Director, along with the applicable fee. This application shall include a signed declaration that the licensee has completed the required continuing education. Annual license renewal applications must be filed with the Division of Construction Management by November 1 of the year preceding the year for which the license is to be renewed. Any renewal applications received after November 1 may, in the sole discretion of the Director, be rejected for that reason alone.

(e) A renewing Home Inspector may earn a \$50 fee credit by training an inspector who becomes licensed in Alabama. A renewing Home Inspector may not earn more than two \$50 fee credits in a year. To train a new inspector the renewing inspector must review and correct the ten inspection reports required in Rule 355-17-1-.06(1)(d) and supervise at least 35 of the trainee's inspections required in Rule 355-17-1-.06(1)(b). The fee credit will be applied on the next renewal after the trainee has received his or her license.

(3) To renew an EIFS Inspector license, the licensee must:

(a) Demonstrate continued compliance with the requirements found in Rule 355-17-1-.07(a).

(b) File a complete, accurate, and timely annual license renewal application with the Director, along with the applicable fee. Annual license renewal applications must be filed with the Division of Construction Management by November 1 of the year preceding the year for which the license is to be renewed. Any renewal applications received after November 1 may, in the sole discretion of the Director, be rejected for that reason alone.

(4) If a licensee changes his or her address during the license year, the licensee promptly must notify the Division of Construction Management of the new address.

History: New Rule: Filed September 23, 2002; effective October 28, 2002. **Amended:** Filed February 2, 2004; effective March 8, 2004. **Amended:** Filed July 31, 2019; effective September 14, 2019.

Ed. Note: Previous Rule .06 was renumbered to .08 per certification filed July 31, 2019; effective September 14, 2019.

355-17-1-.09 Denial Of License.

(1) Grounds for Denial. The Director may deny an application for a license or a license renewal for the applicant's failure to meet any requirement or standard established by the Act or these rules.

(2) Notice of Denial. The Division of Construction Management shall give any applicant whose application for licensure or renewal is denied a written notice specifying the reason for the denial.

(3) Reconsideration.

(a) An applicant denied a license shall be given an opportunity to be re-considered after filing a new application and paying an additional application fee; provided, however, the Director in his discretion may waive any application requirements regarding the filing of any additional forms or the payment of any additional fees.

(b) An applicant who claims to have been wrongfully denied a license may request reconsideration of the Director's decision at any time within 45 days after the date of the Director's notice of denial. This request for reconsideration must be in writing and must include evidence that the Director relied on inaccurate or incomplete information in denying the applicant a license; evidence of rehabilitation or the elimination or cure of the grounds on which the denial was based; or other explanatory evidence bearing on the applicant's record. In connection with this request for reconsideration, the applicant shall be entitled to appear before a technical committee designated by the Director, in order to present the request. Applicants requesting reconsideration of denial shall be notified of the opportunity to appear before the committee by letter, mailed certified mail, return receipt requested, to the most recent address on file with the Division of Construction Management at least 15 days prior to the scheduled date of the committee meeting. The notice shall also otherwise substantially comply with the requirements found in Code of Ala. 1975, §41-22-12(b). In the event an applicant receives less than 15 days' notice as described herein, the Director may grant a continuance until the next meeting date. The committee shall report to the Director its recommendation concerning the applicant's request for reconsideration. The Director shall be solely responsible for deciding whether or not to grant or deny the applicant a license. Should the Director deny the applicant his or her license, the applicant shall thereafter be entitled to appeal that decision to circuit court, as provided in Rule 355-17-1-.18.

paid by an applicant for a license, or any request for which a
fee is required, shall be refunded as a result of the denial,
revocation, or suspension of the applicant's license. In the
event an applicant fails to complete the application process
successfully or the Director refuses to issue a license to an
applicant, any license fee submitted as part of the application
process shall not be refunded.

355-17-1.15 Home Inspectors Advisory Committee - Creation; composition.

(1) There shall be an Alabama Home Inspectors Advisory Committee, consisting of nine members, each of whom shall be appointed by the Director, selected as follows:

(a) Two members of the committee shall be current Alabama licensed home inspectors that are current ASHI members with a minimum of five years' experience as a licensed home inspector.

(b) Two members of the committee shall be current Alabama licensed home inspectors that are current InterNACHI

members with a minimum of five years' experience as a licensed home inspector.

(c) One member of the committee shall be a current Alabama licensed home inspector that is an active member of a professional home inspector body other than InterNACHI or ASHI with a minimum of five years' experience as a licensed home inspector.

(d) One member of the committee shall be a current Alabama licensed home inspector that is an active Alabama Home Inspectors Organization (AHIO) member with a minimum of five years' experience as a licensed home inspector.

(e) One member of the committee shall be a current Alabama licensed EIFS inspector and a minimum of five years' experience as a licensed EIFS inspector.

(f) One member of the committee shall be a current Alabama licensed home inspector that is a licensed Alabama homebuilder with a minimum of five years' experience as a licensed home inspector.

(g) One member of the committee shall be a resident of Alabama.

(h) If the Director is unable to find a willing individual that meets the above criteria, any licensed home inspector may be appointed to that seat.

(2) The Director shall coordinate her or his appointments to assure membership is inclusive and reflects the racial, gender, geographic, urban, rural, and economic diversity of the state.

(3) The term of office of the members of the committee shall be two years and until a successor for that seat is appointed and qualified. However, four of the original nine members of the committee shall only be appointed for one year.

(4) Vacancies in unexpired terms shall be filled in the same manner as original appointments are made.

(5) The committee shall meet at least twice a year, and at other such times as the Director may designate. Five members of the committee shall constitute a quorum.

(6) Annually, the Board shall elect a Chairperson, Vice Chairperson, and other officers as determined by the Director. A committee member may not serve more than two consecutive terms in any one office.

(7) Members of the committee shall not be compensated for their time but shall be allowed travel and per diem expenses at the same rate paid to state employees, to be paid from the Alabama Home Inspectors Registration Fund.

355-17-1-.17 **Violations Of The Act, Initiation Of Proceedings.**

(1) The Director may initiate such actions as he or she deems appropriate to investigate and determine compliance by Home Inspectors, EIFS Inspectors, and unlicensed inspectors with the provisions of the Act and the rules of the Division of Construction Management. The Director retains authority to

initiate all such proceedings as he or she deems appropriate and which are authorized by law.

(2) It shall be the duty of the Director to cause an investigation to be done, as set forth in Rule 355-17-1-.18 1(b), against a licensed home inspector upon receipt of evidence of probable cause by a licensed home builder that the Home Inspector has violated the Standards of Practice or Code of Ethics promulgated in Chapter 355-18-1. Such investigation shall not require review as set forth in Rule 355-17-1-.18 1(a).

(3) The Director may also act where initiated by an aggrieved party to a transaction involving a licensed inspector or by the Attorney General of the State of Alabama.

(4) For complaints against inspectors not licensed in Alabama any person may be an aggrieved party and complaints may be made anonymously. For complaints against licensed Alabama Home Inspectors and EIFS Inspectors, only the purchasers of the inspection may be an aggrieved party and the complainant must sign and affirm that the allegations in the complaint are true to the best of his or her knowledge.

355-17-1-.18 Complaint Procedure.

(1) In the event a complaint is filed against a licensee or if the Director determines from other information that an investigation is necessary, the procedure for investigation of the complaint shall be as follows:

(a) The complaint shall be sent to the Home Inspector Advisory Committee. The committee shall review the complaint and advise the Director whether it is trivial, frivolous, or not made in good faith within 30 days of the Director receiving the complaint.

(b) Valid complaints shall be investigated by an investigator selected by the Director. Within 60 days of the Director receiving a complaint the investigator shall inform the Director as to whether probable cause exists for the Division of Construction Management to initiate formal disciplinary proceedings, or to forward any necessary information to the appropriate governmental authorities. If the investigator determines upon his or her investigation that no probable cause exists, he or she will recommend to the Director that the proceedings terminate.

(2) In the event the investigator determines that probable cause exists to initiate formal disciplinary proceedings, the investigator shall notify the Director. The Director shall thereafter schedule a proposed hearing date to be held within three months from the Director's receipt of the Investigative Committee's report.

(3) Notice shall be mailed certified mail, return receipt requested, to the most recent address of the licensee on file with the Division of Construction Management. In the event the notice is refused, or the return receipt has not been received by the Division of Construction Management at least 10 days before the proposed hearing date, the licensee may be served by mailing a copy of the notice first class mail at least seven days before the proposed hearing date. The notice shall include a notice of the proposed hearing date and the respondent's opportunity to request that the hearing be conducted. The notice shall otherwise substantially comply with Code of Ala. 1975, §41-22-12(b).

(4) A respondent may request in writing that the hearing be conducted. The request shall be submitted to the Director within 15 calendar days of the date of receipt of notice. Failure to request a hearing within the above time frame shall constitute a waiver of the opportunity for a hearing and shall cause the matter to be submitted to the Director for final action. Should the respondent request a hearing, the date of the hearing will be the proposed date established pursuant to subsection (2) above. Disciplinary Hearings will be conducted as described in Chapter 355-17-1-.20.

(5) Nothing contained herein shall be deemed to prohibit the informal disposition of any matter by stipulation, agreed settlement, consent order or default or by another method agreed upon by the Director and the respondent in writing.

355-17-1-.21 Discipline.

(1) Revocation and suspension of license and imposition of administrative fines. The Director may revoke or suspend the respondent's license and may impose and collect administrative fines not to exceed \$3,000 per violation of the Act or these rules:

(a) Upon a finding that the respondent has provided false information in an application;

(b) Upon a finding that respondent has violated the applicable Standards of Practice or Code of Ethics promulgated by the Division of Construction Management;

(c) Upon a finding that any of the insurance coverages required in Rule 355-17-1-.06 has ceased to be effective; or

(d) Upon a finding by the Director that the respondent has failed to comply with any requirement of the Act or these rules.

(2) Considerations. In determining whether a license should be revoked or suspended and the imposition of any fines, the Director shall consider all the relevant factors, including, but not limited to, the following:

- (a) The severity of the offense;
- (b) The danger to the public;
- (c) The number of repetitions of offenses;
- (d) The length of time since the date of violation;
- (e) The number of complaints filed against licensee;
- (f) The licensee's experience;
- (g) The actual damage, physical or otherwise;
- (h) The deterrent effect of the penalty imposed; and
- (i) Any other mitigating or aggravating circumstances.

(3) Surrender of License. Upon the Director's revocation or suspension of a license, the licensee promptly shall surrender to the Director the license certificate issued to the licensee.
