300-2-3-.01     **Data Collection.**

(1)           In order to fulfill its responsibilities for designing and maintaining a statewide information system and for coordinating all collection requirements for the federal government which require state level coordination, the Commission requests certain information from each institution of higher education at varying intervals. The nature and content of reports and data files requested from the institutions have been developed in consultation with various institutional advisory groups. The reporting dates are established annually and will be posted in advance on the Commission website. Each institution shall receive ample time to complete and return the regularly requested reports and data files.
