Board of Medical Examiners: The State Board of Medical Examiners established pursuant to Code of Ala. 1975, §34-24-53.

(2) Board of Nursing: The Board of Nursing established under Code of Ala. 1975, §34-21-2.

(3) Advanced Practice Nurse in Collaborative Practice: A registered nurse who has gained additional knowledge and skills through successful completion of an organized program of nursing education that prepares nurses for advanced practice roles and has been approved by the Board of Nursing to engage in the practice of advanced practice nursing. Two categories of advanced practice nurses are subject to the requirements of collaborative practice:

(a) Certified registered nurse practitioners (CRNP).

(b) Certified nurse midwives (CNM).

(4) Advanced Practice Nursing—collaborative practice: The delivery of health care services by registered nurses who have gained additional knowledge and skills through successful completion of an organized program of nursing education that prepares nurses for advanced practice roles as certified registered nurse practitioners or certified nurse midwives:

(a) Practice as a certified registered nurse practitioner (CRNP) is the performance of nursing skills by a registered nurse who has demonstrated by certification advanced knowledge and skills in the delivery of nursing services within a health care system that provides for consultation, collaborative
management or referral as indicated by the health status of the client.

(b) Practice as a certified nurse midwife (CNM) is the performance of nursing skills by a registered nurse who has demonstrated by certification advanced knowledge and skills relative to the management of women's health care focusing on pregnancy, childbirth, the postpartum period, care of the newborn, family planning and gynecological needs of women, within a health care system that provides for consultation, collaborative management or referral as indicated by the health status of the client.

(5) Collaboration: A formal relationship between one or more certified registered nurse practitioners or certified nurse midwives and a physician or physicians under which these nurses may engage in advanced practice nursing as evidenced by written protocols approved according to the requirements of Code of Ala. 1975, Section 34-21-80 et seq. or exempted according to requirements of this statute. The term collaboration does not require direct, on-site supervision of the activities of a certified registered nurse practitioner or a certified nurse midwife by the collaborating physician. The term does require such professional medical oversight and direction as may be required by the rules and regulations of the Board of Nursing and the State Board of Medical Examiners.

(6) Physician or Collaborating Physician: A doctor of medicine or a doctor of osteopathy licensed to practice medicine in Alabama who agrees in writing to practice in collaboration with one or more certified registered nurse practitioners or certified nurse midwives according to the rules and regulations adopted by the Board of Nursing and the State Board of Medical Examiners.

(7) Joint Committee Of The Board Of Nursing And The State Board Of Medical Examiners For Advanced Practice Nurses. The Joint Committee of the Board of Nursing and the State Board of Medical Examiners for Advanced Practice Nurses is a committee composed of the following, pursuant to Code of Ala. 1975, section 34-21-80 et seq.

(a) Two physicians licensed to practiced medicine in the State of Alabama;

(b) One registered nurse licensed to practice professional nursing in the State of Alabama;
(c) One licensed physician engaged in collaborative practice with a certified registered nurse practitioner or a certified nurse midwife in the State of Alabama;

(d) One certified registered nurse practitioner engaged in advanced practice nursing with a physician in the State of Alabama; and Nursing

(e) One certified nurse midwife engaged in advanced practice with a physician in the State of Alabama.

(8) Legend Drug: Any drug, medicine, chemical or poison bearing on the label the words, "Caution, federal law prohibits dispensing without prescription" or similar words indicating that such drug, medicine, chemical, or poison may be sold or dispensed only upon the prescription of a licensed practitioner, except that the term legend drug will not include any drug, substance, or compound which is listed in Schedules I through V of the Alabama Uniform Controlled Substances Act.

(9) Prescribe or prescribing. The act of issuing a prescription for a legend drug.

(10) Prescription: An order for a legend drug which is issued and signed by a practitioner authorized by law to prescribe and administer such drugs and is intended to be filled, compounded, or dispensed by a pharmacist.

(11) Protocol: A document approved according to Code of Ala. 1975, Section 34-21-81, establishing the permissible functions and activities to be performed by certified registered nurse practitioners and certified nurse midwives and signed by collaborating physicians and any nurse practitioners or nurse midwives practicing with those physicians.

(12) Medical Oversight: Concurrent and on-going collaboration between a physician and a CRNP or CNM and documentation of time together in a practice site; may include but is not limited to direct consultation and patient care, discussion of disease processes and medical care, review of patient records, protocols and outcome indicators, and other activities to promote positive patient outcomes.

(13) Quality Assurance: Documented evaluation of the clinical practice of the certified registered nurse practitioner or certified nurse midwife against defined quality outcome measures, using a meaningful selected sample of patient records, which will identify areas needing improvement, set performance goals, and assess progress towards meeting established goals, with a summary of findings, conclusions, and, if indicated,
recommendations for change. The physician’s signature on the
patient record does not constitute quality improvement
monitoring.

(14) Principal Practice Site: The main location at
which the collaborating physician is engaged in the practice of
medicine.

(15) Remote Practice Site: An approved site for
collaborative practice without an approved collaborating or
covering physician on-site. The collaborating physician’s
principal practice site, acute care hospitals, skilled nursing
facilities, licensed special-care assisted living facilities and
licensed assisted living facilities are not remote practice sites
for the purpose of these rules.

(16) Readily Available: Response by the collaborating
or covering physician by telephone, telecommunication, or radio
for consultation, referral, or direct medical intervention as
indicated by the needs of a patient and based on usual and
customary standards of medical practice.

(17) Direct Medical Intervention: Physical presence of
a physician to attend the patient as defined in the collaborative
practice protocol.

610-X-5-.05 Limitations Upon Utilization Of Certified Registered Nurse Practitioners.

(1) A physician may enter into a collaborative agreement with certified registered nurse practitioners not exceeding a cumulative hundred and sixty (160) hours (four FTEs) per week. The total number of persons supervised or in collaborative practice with a physician shall not exceed one hundred sixty (160) hours per week (four full-time equivalent positions) as stipulated in Rule 610-X-5-.04(3).

(2) Employees of the Alabama Department of Public Health and county health departments are specifically exempt from the requirements of paragraph (1) of this rule.

(3) A physician in collaborative practice may request approval for addition full-time certified registered nurse practitioner positions by the Joint Committee, with consideration given to the following factors to insure that an acceptable standard of care is rendered:

(a) Availability of the physician.

(b) Practice settings and staffing needs for extended hours of service.

(c) Risk to patients.

(d) Educational preparation, specialty and experience of the parties in the collaborative practice.

(e) Complexity and risk of procedures to be performed.

(4) Any certified registered nurse practitioner engaged in practice with a collaborating physician prior to June 26, 1995 may not be denied approval for continued collaborative practice with that physician based on the ratio established in Rule 610-X-5-04.

(5) A physician in collaboration with CRNP, CNM or supervising PA personnel totaling 160 hours per week (four (4)
Chapter 610-X-5

Nursing

FTEs) may request a transitional allowance increasing the total weekly hours for the purpose of orientation of the incoming CRNP. The transitional allowance shall not exceed 45 days. The physician shall request the transitional allowance in writing and specify the starting date for this FTE allowance.

610-X-5-.06 Application For Approval To Practice As A Certified Registered Nurse Practitioner.

(1) The applicant for approval to practice as a certified registered nurse practitioner shall submit to the Board:

(a) The required fee(s) and a completed application including the standard protocol to be followed by the certified registered nurse practitioner and each collaborating physician, unless application is made for an exemption from a collaborative practice agreement as provided for in Rule 610-X-5-.07.

(b) An official transcript of education for advanced practice nursing as a nurse practitioner that indicates the date of completion of the program and the date degree or certificate was conferred if the dates are not the same.

(c) Official evidence of current certification as a nurse practitioner by the respective specialty-certifying agency appropriate to the applicant’s educational preparation, proposed clinical area of practice, and proposed collaborating physician’s area of practice.

(2) The Board of Nursing may decline to consider an applicant who is under investigation for a potential violation of the Code of Ala. 1975, Section 34-21-25 and the Alabama Board of Nursing Administrative Code, Chapter 610-X-8.

Author: Alabama Board of Nursing

610-X-5-.07  Authorization For Practice As A Certified Registered Nurse Practitioner.

(1) The Board of Nursing may grant a certificate of qualification for advanced practice nursing as a certified registered nurse practitioner to applicants who meet the requirements of 610-X-5-.03.

(2) Only those registered nurses who have been issued a certificate of qualification by the Board of Nursing and have current approval for collaborative practice from the Board of Nursing and the Board of Medical Examiners may hold themselves out to be certified registered nurse practitioners, use the designation “CRNP,” or use titles to imply that they are certified registered nurse practitioners. Prior to approval as a CRNP, the registered nurse may use only the designation or title granted by the specialty-certifying agency.

(3) When for any reason the collaborative practice agreement with the physician designated in the application for approval is terminated, then approval of such certified registered nurse practitioner and collaborating physician designated in the application is automatically withdrawn.

   (a) The certified registered nurse practitioner and the physician shall each inform their respective board in writing of the effective date of the termination of the collaborative practice agreement and the reasons for such termination. Failure to notify the respective board of termination may be considered a violation of these rules and regulations.

   (b) The certified registered nurse practitioner shall notify the Board of Nursing using the on-line form “Terminate An Existing Collaboration.”

(4) The advanced practice approval shall expire prior to the RN license if the nurse practitioner’s national specialty certification expires during the license period.
Approval for advanced practice may be continued each biennium at the time of renewal of the registered nurse license upon verification of:

(a) Meeting the requirements of Rule 610-X-5-.03.

(b) Continued collaboration with the approved physician(s) or eligibility for continued exemption from collaboration.

(c) Payment of the advanced practice renewal fee.

Failure to meet the requirements for renewal shall result in lapse of the advanced practice approval.

A nurse who fails to attain or maintain specialty certification as a nurse practitioner from a specialty certification agency shall:

(a) Immediately notify the Board of Nursing.

(b) Not practice as or use the title of certified registered nurse practitioner until approved by the Board of Nursing.

The registered nurse who has been issued a certificate of qualification as a certified registered nurse practitioner from the Board of Nursing may use the designation specific to the authorization, as follows:

(a) “CRNP - Faculty:” The registered nurse who:

1. Meets all qualifications for approval as a certified registered nurse practitioner as provided in Rule 610-X-5-.03.

2. Holds a teaching position in a nurse practitioner education program recognized by the Alabama Board of Nursing.

3. Has made application for approval with the exception of the protocol for the certified registered nurse practitioner and physician as provided in Rule 610-X-5-.06.

4. Requests approval as a certified registered nurse practitioner without prescriptive authority in order to supervise nurse practitioner students in direct care of patients in clinical settings where there is a certified registered nurse practitioner in an approved collaborative practice or a physician who is present to oversee patient care.
Supp. 3/31/17  5-13

Chapter 610-X-5

(b) “CRNP – Federal Only”. The registered nurse who:

1. Meets all qualifications for approval as certified registered nurse practitioner as provided in Rule 610-X-5-.03.

2. Is employed by the United States government.

3. Requests an exemption from collaborative practice with a physician licensed to practice medicine in Alabama.

4. Is authorized for practice with prescriptive authority under established federal regulations and guidelines limited to the employing federal agency.

Ed. Note: Rule .06 was renumbered to .07 as per certification filed July 2, 2015; effective August 6, 2015.

610-X-5-.08 Temporary Approval To Practice As A Certified Registered Nurse Practitioner.

(1) The applicant for approval to practice as a certified registered nurse practitioner may be granted temporary approval for practice under the following stipulations until such time as the application is approved or denied by the Board of Nursing and the Board of Medical Examiners.

(a) The applicant shall meet the requirements of Rules 610-X-5-.03 and 610-X-5-.06

(b) The collaborating physician shall meet the qualifications established in Rule 610-X-5-.04.

(c) Temporary approval is limited to the standard protocol and formulary approved by the Joint Committee of the Alabama Board of Nursing and the Alabama Board of Medical Examiners and does not include the authority to:

(i) Perform additional skills as provided in Rule 610-X-5-.11.
(ii) Prescribe drugs that are listed in the standard formulary with “Restrictions.”

(2) Provisional Approval: A registered nurse who meets the requirements of Rules 610-X-5-.03 and 610-X-5-.06 with the exception of national certification, and who has applied for initial certification may be granted temporary approval under paragraph (1)(c) of this rule with these additional stipulations.

(a) Practice under the on-site supervision of an approved certified registered nurse practitioner or a licensed physician.

(b) During the period of provisional approval, there shall be one hundred percent review of patient cases by the collaborating physician.

(c) The nurse practitioner with provisional approval may use the designation “Graduate Registered Nurse Practitioner.”

(d) Provisional approval to practice is limited to a maximum of six months and shall expire immediately upon:

(i) Notification of approval by the Board of Nursing.

(ii) Notification of failing the certification exam.

(3) Interim Approval: If the relationship with the collaborating physician is terminated, a certified registered nurse practitioner approved to practice under the provisions of these rules may continue in a collaborative practice with an interim physician after application for approval until such time as the new application is approved or denied, provided the interim physician meets the qualifications established in Rule 610-X-5-.04.

Author: Alabama Board of Nursing

Ed. Note: Rule .07 was renumbered to .08 as per certification filed July 2, 2015; effective August 6, 2015.

610-X-5-.09 Requirements For Collaborative Practice By Physicians And Certified Registered Nurse Practitioners.
(1) The collaborating physician shall:

(a) Provide professional medical oversight and direction to the certified registered nurse practitioner.

(b) Be readily available for direct communication or by radio, telephone or telecommunications.

(c) Be readily available for consultation or referrals of patients from the certified registered nurse practitioner.

(2) In the event the collaborating physician is not readily available, provisions shall be made for medical coverage by a physician who is pre-approved by the State Board of Medical Examiners and is familiar with these rules.

(3) The certified registered nurse practitioner’s scheduled hours in patient homes, facilities licensed by the Alabama Department of Public Health, and facilities certified by the Alabama Department of Mental Health are not subject to the required minimum hours for physician presence.

(4) The collaborating physician shall:

(a) Have no additional requirement for documentation of on-site collaboration when working in the same facility with the certified registered nurse practitioner (CRNP).

(b) Be present for not less than ten percent (10%) of the CRNP’s scheduled hours in an approved practice site with CRNP who has less than two (2) years (4,000 hours) of collaborative practice experience:

(i) Since initial certification; or

(ii) In the collaborating physician’s practice specialty.

(c) Visit remote practice sites no less than twice annually.

(d) Meet no less than quarterly with the CRNP who has more than two (2) years (4,000 hours) of collaborative practice experience.

(e) Allow a pre-approved covering physician to be present in lieu of the collaborating physician.

(5) The collaborating physician shall provide notice in writing to the State Board of Medical Examiners of the
commencement or termination of a collaborative practice agreement as required by Rule 540-X-8-.04.

(6) The Joint Committee may, at its discretion, waive the requirements of written verification of physician availability upon documentation of exceptional circumstances. Employees of the Alabama Department of Public Health and county health departments are exempt from the requirements of written verification of physician availability.

(7) A written standard protocol specific to the specialty practice area of the certified registered nurse practitioner and the specialty practice area of the collaborating physician, approved and signed by both the collaborating physician and the certified registered nurse practitioner, shall:

(a) Identify all sites where the certified registered nurse practitioner will practice within the collaboration protocol.

(b) Identify the physician’s principal practice site.

(c) Be maintained at each practice site.

(d) Include a formulary of drugs, devices, medical treatments, tests and procedures that may be prescribed, ordered, and implemented by the certified registered nurse practitioner consistent with these rules and which are appropriate for the collaborative practice setting.

(e) Include a pre-determined plan for emergency services.

(f) Specify the process by which the certified registered nurse practitioner shall refer a patient to a physician other than the collaborating physician.

(g) Specify a plan for quality assurance management defined quality outcome measures for evaluation of the clinical practice of the certified registered nurse practitioner and include review of a meaningful sample of medical records plus all adverse outcomes. Documentation of quality assurance review shall be readily retrievable, identify records that were selected for review, include a summary of findings, conclusions, and, if indicated, recommendations for change. Quality assurance monitoring may be performed by designated personnel, with final results presented to the physician and certified registered nurse practitioner for review.

Author: Alabama Board of Nursing
610-X-5-.10 Standards Of Practice For Certified Registered Nurse Practitioners. The certified registered nurse practitioner shall practice in accordance with national standards and functions identified by the appropriate specialty-certifying agency as recognized by the Board of Nursing and as congruent with Alabama law.

Author: Alabama Board of Nursing

Ed. Note: Rule .09 was renumbered to .10 as per certification filed July 2, 2015; effective August 6, 2015.

610-X-5-.11 Functions And Activities Of Certified Registered Nurse Practitioners.

(1) The certified registered nurse practitioner is responsible and accountable for the continuous and comprehensive management of a broad range of health services for which the certified registered nurse practitioner is educationally prepared and for which competency is maintained, with physician collaboration as described in these rules. These services include but are not restricted to the following:

(a) Evaluate current health status and risk factors of individuals based on comprehensive health history and comprehensive physical examinations and assessments.
(b) Formulate a working diagnosis, develop and implement a treatment plan, evaluate and modify therapeutic regimens to promote positive patient outcomes.

(c) Prescribe, administer and provide therapeutic measures, tests, procedures, and drugs.

(d) Counsel, teach and assist individuals and families to assume responsibility for self-care in prevention of illness, health maintenance, and health restoration.

(e) Consult with and refer to other health care providers as appropriate.

(2) A standard protocol approved by the Board of Nursing and State Board of Medical Examiners shall address permissible functions and activities specific to the advanced practice of the certified registered nurse practitioner.

(3) A certified registered nurse practitioner may, after the successful completion of an organized program of study and supervised clinical practice, carry out functions beyond the nurse practitioner educational preparation provided the functions are approved by the Board of Nursing as being within the legal scope of practice for a certified registered nurse practitioner. Such functions shall be submitted to the Joint Committee for consideration for inclusion on the standard protocol.

(4) Requests for additional functions to be added to the protocol may be submitted to the Joint Committee for consideration.

(5) A certified registered nurse practitioner may write admission orders for inpatients as directed by the physician and subsequent orders in accordance with established protocols and institutional policies.

Author: Alabama Board of Nursing

Ed. Note: Rule .10 was renumbered to .11 as per certification filed July 2, 2015; effective August 6, 2015.
610-X-5-.12 Prescriptions And Medication Orders By Certified Registered Nurse Practitioners.

(1) Certified registered nurse practitioners engaged in collaborative practice with physicians may be granted prescriptive authority upon submission of evidence of completion of an academic course in pharmacology or evidence of integration of pharmacology theory and clinical application in the certified registered nurse practitioner curriculum.

(2) Certified registered nurse practitioners practicing under protocols approved in the manner prescribed by Code of Ala. 1975, section 34-21-80 et seq. may prescribe legend drugs to their patients, subject to the following conditions:

(a) The drug shall be included in the formulary recommended by the Joint Committee and adopted by the Board of Nursing and the State Board of Medical Examiners.

(b) The drug type, dosage, quantity prescribed, and number of refills shall be authorized in an approved protocol signed by the collaborating physician and the certified registered nurse practitioner. This requirement may be met if written prescriptions adhere to the standard recommended doses of legend drugs as identified in the Physician’s Desk Reference or Product Information Insert, and do not:

(i) Exceed the recommended treatment regimen periods.

(ii) Include United States Food and Drug Administration (FDA) non-approved supplements, drug products, medication, and off label medications.

(c) Drugs and medications that do not have FDA approval may be prescribed through protocol registration in a United States Institutional Review Board or Expanded Access authorized clinical trial.

(d) “Off Label” use or prescription of FDA-approved medications for uses other than that indicated by the FDA, is permitted when such practices are:

(i) Within the current standard of care for treatment of disease or condition.

(ii) Supported by evidence-based research.

(iii) Approved by the collaborating physician and entered into the patient record.
(3) A certified registered nurse practitioner shall not initiate a call-in prescription in the name of a collaborating physician for any drug, whether legend or controlled substance, which the certified registered nurse practitioner is not authorized to prescribe under the protocol signed by the collaborating physician and certified registered nurse practitioner and approved under this section unless the drug is specifically ordered for the patient by the physician, either in writing or by a verbal order which has been transcribed in writing, and which has been signed by the physician within seven working days or as otherwise specified by the Board of Nursing and the State Board of Medical Examiners.

(4) A written prescription for any drug that the certified registered nurse practitioner is authorized to prescribe may be called in to a pharmacy, provided the prescription is entered into the patient’s record and signed by the certified registered nurse practitioner.

(5) The certified registered nurse practitioner in collaborative practice with prescriptive privileges shall not engage in prescribing for:

(a) Self.

(b) Immediate family members.

(c) Individuals who are not patients of the practice, except in cases where a certified registered nurse practitioner is prescribing for the sexual partner(s) of a patient in accordance with an Expedited Partner Therapy (EPT) protocol for the prevention of transmission and spread of sexually transmitted disease(s).

(6) The certified registered nurse practitioner who is in collaborative practice and has prescriptive privileges may receive and sign for samples of legend drugs that are authorized in the approved formulary for the collaborative practice, provided the certified registered nurse practitioner complies with all applicable state and federal laws and regulations.

(7) When prescribing legend drugs a certified registered nurse practitioner shall use a prescription format that includes all of the following:

(a) The name, medical practice site address and telephone number of the collaborating physician or covering physician.
(b) The certified registered nurse practitioner’s name printed below or to the side of the physician’s name.

(c) The medical practice site address and telephone number of the certified registered nurse practitioner if different from that of the collaborating physician.

(d) The certified registered nurse practitioner’s registered nurse license number and identifying prescriptive authority number assigned by the Board of Nursing.

(e) The words “Product Selection Permitted” printed on one side of the prescription form directly beneath a signature line.

(f) The words “Dispense as written” printed on one side of the prescription form directly beneath a signature line.

(g) The date the prescription is issued to the patient.
